[63 FR 53310, Oct. 5, 1998, as amended at 80 FR 52641, Sept. 1, 2015]

§ 503.32 Procedures for responding to requests made under the Freedom of Information Act.

(a) *Determination to grant or deny request.* Upon request by any member of the public for documents, made in accordance with the rules of this part, the Commission's Secretary or his or her delegate in his or her absence, shall determine whether or not such request shall be granted.

(1) Such determination shall be made by the Secretary within twenty (20) business days after receipt of such request, except as provided in paragraphs (b) and (e)(4) of this section, and the Secretary shall immediately notify the requester of:

(i) Such determination and the reasons therefor;

(ii) The right of such person to seek assistance from the agency's FOIA Public Liaison; and

(iii) In the case of an adverse determination, the right of such requester to appeal to the Chairman no less than 90 days after the date of such adverse determination, and the right of such requester to seek dispute resolution services from the agency's FOIA Public Liaison or the Office of Government Information Services.

(2) Upon granting a request, the Secretary shall promptly make records available to the requestor. Upon denial of such a request the Secretary shall promptly notify the requestor of the determination, explain the reason for denial, give an estimate of the volume of matter denied, and set forth the names and titles or positions of each person responsible for the denial of the request.

(3)(i) Any party whose request for documents or other information pursuant to this part has been denied in whole or in part by the Secretary may appeal such determination. Any such appeal must:

(A) Be addressed to: Chairman, Federal Maritime Commission, Washington, D.C. 20573–0001; and

(B) Be filed not later than 90 days following receipt of notification of full or partial denial of records requested.

(ii) The Chairman or the Chairman's specific delegate, in his or her absence, shall make a determination with respect to that appeal within twenty (20) business days after receipt of such appeal, except as provided in paragraph (b) of this section.

(iii) If, on appeal, the denial is upheld, either in whole or in part, the Chairman shall so notify the party submitting the appeal and shall notify such person of the provisions of 5 U.S.C. 552(a)(4) regarding judicial review of such determination upholding the denial. Notification shall also include the statement that the determination is that of the Chairman of the Federal Maritime Commission and the name of the Chairman.

(b) *Extension of time limits.* (1) In unusual circumstances, as defined in paragraph (b)(2) of this section, the time limits prescribed with respect to initial actions in response to a FOIA request or actions on appeal may be extended by written notice from the Secretary of the Commission to the person making such request, setting forth the reasons for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more than ten (10) working days, except as provided in paragraph (b)(3) of this section.

(2) As used in this paragraph, unusual circumstances means, but only to the extent reasonably necessary to the proper processing of the particular request:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

(3) If the time limit is extended as prescribed under this section, and the request cannot be processed within the extended time limit, the Secretary shall notify the requestor, and either provide the requestor with an opportunity to limit the scope of the request so that it may be processed within the time limit, or provide the requestor an opportunity to arrange with the Secretary an alternative time frame for processing the request or a modified request. To aid the requester, the Commission will make available its FOIA Public Liaison, who shall assist in the resolution of any dispute between the requester and the Commission, and notify the requester of the right of the requester to seek dispute resolution services from the Office of Government Information Services.

(4) The Secretary may make an initial written request to the requestor for information to clarify the request which will toll the 20-day processing period until such information has been received. The 20-day processing period will recommence after receipt of the requested information.

(5) The Secretary may also make written requests to clarify issues regarding fee assessments. Such written requests will toll the 20-day processing period until such information has been received from the requestor. The 20-day processing period will recommence

Federal Maritime Commission

§ 503.33

after receipt of the requested information.

(c) *Aggregation of requests.* Certain requests by the same requestor, or by a group of requestors acting in concert, may be aggregated:

(1) Upon the Secretary's reasonable belief that such requests actually constitute a single request, which if not aggregated would satisfy the unusual circumstances specified in paragraph (b)(2) of this section; and

(2) If the requests involve clearly related matters.

(d) *Multitrack processing of requests.* The Secretary uses multitrack processing of FOIA requests. Requests which seek and are granted expedited processing are put on the expedited track. All other requests are designated either simple or complex requests based on the amount of time and/or complexity needed to process the request. A request may be considered simple if it involves records that are routinely requested and readily available.

(e) *Expedited processing of requests.* (1) The Secretary will provide for expedited processing of requests for records when the person requesting the records can demonstrate a compelling need.

(2) The term *compelling need* means:

(i) A failure to obtain requested records on an expedited basis under this paragraph could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) With respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.

(3) A demonstration of compelling need by a person making a request for expedited processing must be made in the form of a statement describing the circumstances and certified by such person to be true and correct to the best of such person's knowledge and belief.

(4) The Secretary shall determine whether to provide expedited processing, and provide notice of the determination to the person making the request, within ten (10) calendar days after the receipt date of the request.

(5) Appeal of the determination not to provide expedited processing should be sought in accordance with the provisions of paragraph (a)(3)(i) of § 503.32, and will be considered expeditiously.

(6) Any request granted expedited processing shall be processed as soon as practicable.

[63 FR 53310, Oct. 5, 1998, as amended at 80 FR 52641, Sept. 1, 2015; 82 FR 2248, Jan. 9, 2017]

§ 503.33 Exceptions to availability of records.

(a) Except as provided in paragraph (b) of this section, the following records may be withheld from disclosure:

(1) Records specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and which are in fact properly classified pursuant to such Executive order. Records to which this provision applies shall be deemed by the Commission to have been properly classified. This exception may apply to records in the custody of the Commission which have been transmitted to the Commission by another agency which has designated the record as nonpublic under an Executive order.

(2) Records related solely to the internal personnel rules and practices of the Commission.

(3) Records specifically exempted from disclosure by statute, provided that such statute:

(i) Requires that the matter be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(4) Trade secrets and commercial financial information obtained from a person and privileged or confidential.

(5) Inter-agency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with the Commission, provided that the deliberative process privilege shall not apply to records created 25 years or more before the date on which the records were requested.

(6) Personnel and medical files and similar files, the disclosure of which

§ 503.34

would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

(b) Nothing in this section authorizes withholding of information or limiting the availability of records to the public except as specifically stated in this part, nor shall this part be authority to withhold information from Congress.

(c) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are ex-

46 CFR Ch. IV (10–1–20 Edition)

empt under this part. The amount of information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in this section under which the deletion is made. If technically feasible, the amount of the information deleted shall be indicated at the place in the record where such deletion is made.

(d) Whenever a request is made which involves access to records described in paragraph (a)(7)(i) of this section and the investigation or proceeding involves a possible violation of criminal law, and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Commission may, during only such time as that circumstance continues, treat the records as not subject to the requirements of 5 U.S.C. 552 and this subpart.

(b) Each such report shall be made available to the public in electronic format.

(i) Material, including documents, contained in the files of the Commission;

(ii) Information, including testimony, affidavits, declarations, admissions, responses to interrogatories, or informal statements, relating to material contained in the files of the Commission or which any Commission employee acquired in the course and scope of the performance of his official duties;

(iii) Garnishment or attachment of compensation of current or former employees; or

(iv) The performance or non-performance of any official Commission duty.

(2) All such documents should be delivered or addressed to the General Counsel, Office of the General Counsel, Federal Maritime Commission, 800 North Capitol Street NW., Washington, DC 20573.

(3) In the event that any subpoena, demand, or request is sought to be delivered to a Commission employee (including former employees) other than in the manner prescribed in paragraphs (a)(1) and (2) of this section, such attempted service shall be ineffective. Such employee shall, after consultation with the General Counsel:

(i) Decline to accept the subpoena, demand, or request; or

(ii) Return them to the server under cover of a written communication referring to the procedures prescribed in this part.

(4) Acceptance of such documents by the Office of the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure, or other applicable laws, rules, or regulations.

(b) [Reserved]

Federal Maritime Commission

§ 503.42

§ 503.41 Procedure when testimony or production of documents is sought.

The Commission shall follow the procedures set forth in this part.

(a) If oral testimony is sought by a demand in any case or matter in which the United States is not a party, an affidavit, or, if that is not feasible, a statement by the party seeking the testimony or by his attorney, setting forth a summary of the testimony sought and its relevance to the proceeding, must be furnished to the Commission. Any authorization for testimony by a present or former employee of the Commission shall be limited to the scope of the demand as summarized in such statement.

(b) When information other than oral testimony is sought by a demand, the Commission shall request a summary of the information sought and its relevance to the proceeding.

(c) Permission to testify or to release documents in all cases will be limited to matters outlined in the affidavit or declaration described in § 503.41(a) and (b), or to such matters as deemed appropriate by the Commission. If the Commission, in considering the factors in § 503.39, allows the release of documents or testimony to be given by an employee, arrangements shall be made for the taking of testimony or receipt of documents by the method least disruptive to the employee's official duties. Testimony may, for example, be provided by affidavits, answers to interrogatories, written depositions, or depositions transcribed, recorded, or preserved by any other means allowable by law.

(d) Upon issuance of a final determination to not authorize testimony or release of Commission information by the Commission, the party or the party's counsel seeking testimony or documents may consult or negotiate with the Commission to refine and limit the demand.

§ 503.42 Fees.

(a) *Generally.* The Commission may condition the production of records or appearance for testimony upon advance payment of a reasonable estimate of the costs to the Commission.

(b) *Fees for records.* Fees for producing records will include fees for searching,

reviewing, and duplicating records, costs of attorney time spent in reviewing the demand or request, and expenses generated by materials and equipment used to search for, produce, and copy the responsive information. Costs for employee time will be calculated on the basis of the hourly pay of the employee (including all pay, allowance, and benefits). Fees for duplication will be the same as those charged by the Commission in its regulations at subpart F of this part.

(c) *Witness fees.* Fees for attendance by a witness will include fees, expenses, and allowances prescribed by the court's rules. If no such fees are prescribed, witness fees will be determined based upon the rule of the Federal district court closest to the location where the witness will appear. Such fees will include cost of time spent by the witness to prepare for testimony, in travel, and for attendance at the legal proceeding.

(d) *Payment of fees.* The seeking party must pay witness fees for current Commission employees and any records certification fees by submitting to the General Counsel a check or money order for the appropriate amount made payable to the Treasury of the United States. In the case of testimony by former Commission employees, applicable fees must be paid directly to the former employee in accordance with 28 U.S.C. 1821, per diem and mileage, or other applicable statutes.

(e) *Certification (authentication) of copies of records.* The Commission may certify that records are true copies in order to facilitate their use as evidence. If certified records are sought, the request for certified copies shall be made at least 45 days before the date they will be needed. The request should be sent to the General Counsel. Fees for certification will be the same as those charged by the Commission in its regulations at subpart F of this part.

(f) *Waiver or reduction of fees.* The Commission may, upon a showing of reasonable cause, waive or reduce any fees in connection with testimony, production, or certification of records.

(g) *De minimis fees.* Fees will not be assessed if the total charge would be \$10.00 or less.

§ 503.48 Policy and services available.

Pursuant to policies established by Congress, the Government's costs for services provided to identifiable persons are to be recovered by the payment of fees (Independent Offices Appropriations Act, 31 U.S.C. 9701 and Freedom of Information Reform Act of 1986, October 27, 1986, 5 U.S.C. 552). Except as otherwise noted, it is the general policy of the Commission not to waive or reduce service and filing fees contained in this chapter. In extraordinary situations, the Commission will accept requests for waivers or fee reductions. Such requests are to be made to the Secretary of the Commission at the time of the information request or the filing of documents and must demonstrate that the waiver or reduction of a fee is in the best interest of the public, or that payment of a fee would impose an undue hardship. The Secretary will notify the requestor of the decision to grant or deny the request for waiver or reduction.

(a) Upon request, the following services are available upon the payment of the fees hereinafter prescribed; except that no fees shall be assessed for search, duplication or review in connection with requests for single copies of materials described in §§ 503.11 and 503.21:

- (1) Records/documents search.
- (2) Duplication of records/documents.
- (3) Review of records/documents.
- (4) Certification of copies of records/documents.

(b) Fees shall also be assessed for the following services provided by the Commission:

- (1) Placing one's name, as an interested party, on the mailing list of a docketed proceeding.
- (2) Processing nonattorney applications to practice before the Commission.

§ 503.49 Payment of fees and charges.

The fees charged for special services may be paid through the mail by check, draft, or postal money order, payable to the Federal Maritime Commission, except for charges for transcripts of hearings. Transcripts of hearings, testimony and oral argument are furnished by a nongovernmental contractor, and may be purchased directly from the reporting firm.

§ 503.50 Fees for services.

(a) *Definitions.* The following definitions apply to the terms when used in this subpart:

(1) *Search* means all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Search for material will be done in the most efficient and least expensive manner so as to minimize costs for both the agency and the requester. Search is distinguished, moreover, from *review* of material in order to determine whether the material is exempt from disclosure. Searches may be done manually or by computer using existing programming.

(2) *Duplication* means the process of making a copy of a document necessary to respond to a Freedom of Information Act or other request. Such copies can take the form of paper or machine readable documentation (e.g., magnetic tape or disk), among others.

(3) *Review* means the process of examining documents located in response to a commercial use request to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(4) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is

made. In determining whether a requester properly belongs in this category, the agency must determine the use to which a requester will put the documents requested. Where the agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency will seek additional clarification before assigning the request to a specific category.

(5) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(6) *Non-commercial scientific institution* means an institution that is not operated on a *commercial* basis as that term is referenced in paragraph (a)(4) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(7) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of *news*) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. *Freelance* journalists, may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication

contract would be the clearest proof, but the agency may also look to the past publication record of a requester in making this determination.

(8) *Direct costs* means those expenditures which the agency actually incurs in searching for and duplicating (and in the case of commercial requester, reviewing) documents to respond to a Freedom of Information Act ("FOIA") request. Direct costs include, for example, the salary of the employee performing the work (the basic rate of pay for the employee plus 17.5 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(b) *General*. (1) The basic fees set forth in paragraph (c) of this section provide for documents to be mailed with postage prepaid. If copy is to be transmitted by registered, certified, air, or special delivery mail, postage therefor will be added to the basic fee. Also, if special handling or packaging is required, costs thereof will be added to the basic fee.

(2) The fees for search, duplication and review set forth in paragraph (c) of this section reflect the full allowable direct costs expected to be incurred by the agency for the service. Costs of search and review may be assessed even if it is determined that disclosure of the records is to be withheld. Cost of search may be assessed even if the agency fails to locate the records. Requesters must reasonably describe the records sought. The following restrictions, limitations and guidelines apply to the assessment of such fees:

(i) For commercial use requesters, charges recovering full direct costs for search, review and duplication of records will be assessed.

(ii) For educational and non-commercial scientific institution requesters, no charge will be assessed for search or review of records. Charges recovering full direct costs for duplication of records will be assessed, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request is being made under the auspices of a qualifying institution and that the

records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(iii) For representative of the news media requesters, no charge will be assessed for search or review of records. Charges recovering full direct costs for duplication of records will be assessed, excluding charges for the first 100 pages.

(iv) For all other requesters, no charge will be assessed for review of records. Charges recovering full direct costs for search and duplication of records will be assessed excluding charges for the first 100 pages of duplication and the first two hours of search time. Requests from individuals for records about themselves, filed in a Commission system of records, will be treated under the fee provisions of the Privacy Act of 1984 which permit fees only for duplication.

(v) No fee may be charged for search, review or duplication if the costs of routine collection and processing of the fee are likely to exceed the amount of the fee.

(vi) Documents shall be furnished without any charge or at a reduced charge if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester. In determining whether a waiver or reduction of charges is appropriate the following factors will be taken into consideration.

(A) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(B) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(C) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding;

(D) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;

(E) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(F) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(vii) Whenever it is anticipated that fees chargeable under this section will exceed \$25.00 and the requester has not indicated in advance a willingness to pay fees as high as anticipated, the requester will be notified of the amount of the anticipated fee. In such cases the requester will be given an opportunity to confer with Commission personnel with the object of reformulating the request to meet the needs of the requester at a lower cost.

(viii) Interest may be charged record requesters who fail to pay fees assessed. Assessment of interest may begin on the amount billed starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C., and will accrue from the date of the billings. Receipt of payment by the agency will stay the accrual of interest.

(ix) Whenever it reasonably appears that a requester of records or a group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, such requests will be aggregated and fees assessed accordingly. Multiple requests on unrelated subjects will not be aggregated.

(x) The agency may require a requester to make advance payment only when:

(A) A requester has previously failed to pay a fee charged in a timely fashion (i.e., within 30 days of the date of the billing), in which case the requester will be required to pay the full amount owed plus any applicable interest as

Federal Maritime Commission

§ 503.51

provided above, and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester; or

(B) The agency estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250, in which case, the agency will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or will require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment.

(xi) Unless applicable fees are paid, the agency may use the authorities of the Debt Collection Act (Pub. L. 97-365), including disclosure to consumer reporting agencies and use of collection agencies where appropriate to encourage payment.

(xii) Whenever action is taken under paragraphs (b)(2)(viii) and (b)(2)(ix) of this section, the administrative time limits prescribed in subsection (a)(6) of 5 U.S.C. 552 (i.e., 10 working days from receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits will begin only after the Commission has received fee payments described above.

(c) *Charges for search, review, duplication and certification.* (1) Records search (including electronic search) will be performed by Commission personnel at the following rates:

(i) Search will be performed by clerical/administrative personnel at a rate of \$52 per hour and by professional/executive personnel at a rate of \$81 per hour.

(ii) Unless an exception provided in paragraph (b)(2) of this section applies, the minimum charge for record search is \$31.

(2) Charges for review of records to determine whether they are exempt from disclosure under § 503.33 must be assessed to recover full costs at the rate of \$105 per hour. Charges for review will be assessed only for initial review to determine the applicability of a specific exemptions to a particular record. No charge will be assessed for

review at the administrative appeal level.

(3) Charges for duplication of records and documents will be assessed as follows, limited to size 8½" × 14" or smaller:

(i) If performed by requesting party at the rate of ten cents per page (one side).

(ii) By Commission personnel, at the rate of ten cents per page (one side) plus \$52 per hour.

(iii) Unless an exception provided in paragraph (b)(2) of this section applies, the minimum charge for copying is \$6.

(iv) No charge will be made by the Commission for notices, decisions, orders, etc., required by law to be served on a party to any proceeding or matter before the Commission. No charge will be made for single copies of such Commission issuances individually requested in person or by mail.

(4) The certification and validation (with Federal Maritime Commission seal) of documents filed with or issued by the Commission will be available at \$124 for each certification.

(d) Applications for admission to practice before the Commission for persons not attorneys at law must be accompanied by a fee of \$208 pursuant to § 502.27 of this chapter.

(2) The duplication or reproduction of existing classified information is not derivative classification.

(b) Members or employees applying derivative classification markings shall:

(1) Observe and respect original classification decisions; and

(2) Carry forward to any newly created documents the pertinent classification markings.

§ 503.56

46 CFR Ch. IV (10–1–20 Edition)

(3) For information derivatively classified based on multiple sources, the Member or employee shall carry forward:

(2) The information requested is not the subject of pending litigation.

(3) The information requested has not been reviewed for declassification in the previous two years. If so, the FMC shall inform the requester of this fact and provide the requester with appeal

(c) Requests shall be in writing, and shall be sent to: Office of the Managing Director, Attn.: Senior Agency Official, Federal Maritime Commission, Washington, DC 20573 or submitted via the FMC's on-line declassification information portal which provides an e-mail address through which requests can be submitted: http://www.fmc.gov/about/web_policies_notices_and_acts.aspx.

(d) If the request requires the provision of services by the Commission, fair and equitable fees may be charged pursuant to 31 U.S.C. 9701.

(e) Requests for mandatory declassification reviews shall be acknowledged by the Commission within 15 days of the date of receipt of such requests.

(f) If the document was derivatively classified by the Commission or originally classified by another agency, the request, the document, and a recommendation for action shall be forwarded to the agency with the original classification authority. The Commission may, after consultation with the originating agency, inform the requester of the referral.

(g) If a document is declassified in its entirety, it may be released to the requester, unless withholding is otherwise warranted under applicable law. If a document or any part of it is not declassified, the Senior Agency Official shall furnish the declassified portions to the requester unless withholding is otherwise warranted under applicable law, along with a brief statement concerning the reasons for the denial of the remainder, and the right to appeal that decision to the Commission appellate authority within 60 days.

A determination to close to public observation a portion or portions of a series of meetings may be accomplished by a single vote on each of the issues described in paragraph (d) of this section, provided that the vote of each member of the agency shall be recorded and the vote shall be cast by each member and not by proxy vote.

(a) Any person as defined in § 503.71, whose interests may be directly affected by a portion of a meeting of the agency, may request that the agency close that portion of a meeting for the reason that matters in deliberation at that portion of the meeting are such that public disclosure of that portion of a meeting is likely to:

(2) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy; or

(3) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would:

(h) In the case of a vote on a request under this section to close to public observation a portion of a meeting, no such portion of a meeting may be closed unless, by a vote on the issues described in paragraph (g) of this section, a majority of the entire membership of the agency shall vote to close such portion of a meeting by a recorded vote.

§ 503.76 Effect of vote to close a portion or portions of a meeting or series of meetings.

(a) Where the agency votes as provided in § 503.74 or § 503.75, to close to public observation a portion or portions of a meeting or a portion or portions of a series of meetings, the portion or portions of a meeting or the portion or portions of a series of meetings shall be closed.

(b) Except as otherwise provided in §§ 503.80, 503.81 and 503.82, not later than the day following the day on which a vote is taken under § 503.74 or § 503.75, by which it is determined to close a portion or portions of a meeting or a portion or portions of a series of meetings to public observation, the Secretary shall make available to the public:

(1) A written copy of the recorded vote reflecting the vote of each member of the agency;

(2) A full written explanation of the agency action closing that portion or those portions to public observation; and

(3) A list of the names and affiliations of all persons expected to attend the portion or portions of the meeting or the portion or portions of a series of meetings.

(c) Except as otherwise provided in §§ 503.80, 503.81 and 503.82, not later than the day following the day on which a vote is taken under § 503.74, or § 503.75, by which it is determined that the portion or portions of a meeting or the portion or portions of a series of meetings shall remain open to public observation, the Secretary shall make available to the public a written copy of the recorded vote reflecting the vote of each member of the agency.

§ 503.77 Responsibilities of the General Counsel of the agency upon a request to close any portion of any meeting.

(a) Upon any request that the agency close a portion or portions of any meeting or any portion or portions of any series of meetings under the provisions of §§ 503.74 and 503.75, the General Counsel of the agency shall certify in writing to the agency, prior to an agency vote on that request, whether or not in his or her opinion the closing of any such portion or portions of a meeting or portion or portions of a series of meetings is proper under the provisions of this subpart and the terms of the Government in the Sunshine Act (5 U.S.C. 552b). If, in the opinion of the General Counsel, the closing of a portion or portions of a meeting or portion or portions of a series of meetings is proper under the provisions of this subpart and the terms of the Government in the Sunshine Act (5 U.S.C. 552b), his or her certification of that opinion shall cite each applicable, particular, exemptive provision of that Act and provision of this subpart.

(b) A copy of the certification of the General Counsel as described in paragraph (a) of this section, together with a statement of the officer presiding over the portion or portions of any

Federal Maritime Commission

§ 503.79

meeting or the portion or portions of a series of meetings setting forth the time and place of the relevant meeting or meetings, and the persons present, shall be maintained by the Secretary for public inspection.

§ 503.78 General rule—information pertaining to meeting.

(a) As defined in § 503.71, all information pertaining to a portion or portions of a meeting or portion or portions of a series of meetings of the agency shall be disclosed to the public unless excepted from such disclosure under §§ 503.79 through 503.81 or § 503.84.

(b) All inquiries as to the status of pending matters which were considered by the Commission in closed session should be directed to the Secretary of the Commission. Commission personnel who attend closed meetings of the Commission are prohibited from disclosing anything that occurs during those meetings. An employee's failure to respect the confidentiality of closed meetings constitutes a violation of Commission's General Standards of Conduct. The Commission can, of course, determine to make public the events or decisions occurring in a closed meeting, such information to be disseminated by the Office of the Secretary. An inquiry to the Office of the Secretary as to whether any information has been made public is not, therefore, improper. However, a request of or attempt to persuade a Commission employee to divulge the contents of a closed meeting constitutes a lack of proper professional conduct inappropriate to a person practicing before this agency, and requires that the employee file a report of such event so that a determination can be made whether disciplinary action should be initiated pursuant to § 502.30 of this chapter.
